## CONTENT OF THE COURSE

The 5-day course will blend lectures, conferences, debates, panel discussions and an escape game to explore how democratic institutions can cope with the various crises the world has faced in recent decades.

### **Programme:**

- Conferences and lectures by leading scholars on the topics
- Panel discussions and debates with institutional actors and stakeholders
- An escape game for students to show a firm grip on the course material
- A cultural tour to reinforce the bond between students from the different CIVIS universities
